

I am pleased to announce that Perritte Memorial UMC has joined the 21st century! We are now able to accept tithes, offerings, and payments via computer and/or smartphone. Our new church giving program is called Pushpay and Susan Lewis, Susan Teekell, and I have had training on setting up and using the program. I would have to say that due to the fact that I, Chuck Lewis, was able to follow the directions and pull up the program on my phone in a matter of seconds attests to the ease of use of Pushpay. If you would like information on giving via your own phone or computer that this insert doesn't answer, just give me a call at 936-554-0297 and I will be happy to help, or call Susan Teekell at the church office, 564-8427.

With Pushpay, you can:

- Give easily, quickly, and securely
- Store multiple cards and bank accounts
- Give recurring donations
- Login to www.Pushpay.com and see your giving history

We're excited about this easy way to give, and think you'll love it too!

—Chuck Lewis, Chair of Finance

Do I have to sign up to use Pushpay?

You don't have to create a Pushpay account to make one-time donations through Pushpay to Perritte with a credit card or debit card. We wanted to make that process easy and pain-free. Right now, you can start giving through text engagement, details on the back.

However if you want to do any of the following, you'll have to create an account at the end of the process -

- Give via ACH (Bank Account),
- Setup a recurring donation
- Manage your account yourself 24/7, or
- Securely store your payment method
(so you don't have to type it out each time)

After you complete your first gift, you'll be prompted to create an account with that information and download the app, which will allow you to give in less than 10 seconds in the future.

Do I Have to link Pushpay to my debit or credit card?

You may use your debit or credit card, but we're also excited to be able to offer you ACH giving! This is huge because it allows you to give directly from a bank account, which allows more of your donation to go into resourcing God's Kingdom. Simply navigate to the giving page using one of the methods described on the back, and choose "Give from Bank Account." Enter your account and routing numbers and give!

What equipment do I need to set this up?

You may use your smart phone, your computer, or the church computer to set up online giving.

Text Engagement

Grab your phone and text "perritte" to 77977. You'll receive a text back with instructions to start giving. Make sure your phone doesn't autocorrect. Tap the link, and you're ready to give!

When you send "Perritte" to 77977 you will receive a one-time reply containing a link to give to Perritte Memorial UMC (1msg/request). Please be aware that Msg & Data rates may apply. For full Terms & Conditions please visit <https://pushpay.com/terms>. For the Privacy Policy please visit <https://pushpay.com/privacy>. For help reply HELP or STOP to cancel.

Giving Link on Our Website

You will see a red "GIVE" button on the primary sidebar of our website, perritteumc.org. Clicking it will take you to the secure giving link and allow you to make your donation.

The Church Office Computer

The Pushpay website has a virtual terminal. Using the virtual terminal on the computer in the church office, Susan Teekell can set up your giving (either typing in your account information, or letting you do that part in person.) Call the office or stop by between 9 am and 1 pm on Monday through Thursday.

Can I Set Up My Account to Give My Tithe Each Month?

When you give a gift using Pushpay, you will be asked if you want to repeat the gift. You can answer:

"no" to give a one-time gift, or
"yes" to set up a recurring gift.

If you choose to set up a recurring gift, you will be asked when to start giving, how often to give, and when to stop giving.

What if I need to change my recurring gift?

Since you can only make a recurring gift if you create a Pushpay account, you can easily log into your account at any time to make changes to your recurring gift.
